With regards to Case / Account # 1:23-cr-00274, the individual and corporation reported is a co-conspirator in seditious crimes against the private rights of the petitioner and in violation of 18 U.S.C. § 241, 242. They are armed and dangerous.

### MEMORANDUM OF POINTS AND AUTHORITIES

Judges sign standing orders to invest all the court cases through the Court Registry Investment System at the superior court. Every court case shall be assigned, by the court administrator, a U.S. Treasury Public Debt number, placed on to the court document, including and not limited to traffic citations after the unknowing participants in the case have received their copy of the same but without the added monetary transformation of that instrument into a financial transaction, which is the definition of a securitization. All the court cases are directly deposited into the Federal Reserve Bank.

C.U.S.I.P.© is the acronym for the Committee on Uniform Securities Identification Procedures. It is a copyrighted, registered trademark of the American Bankers Association. After the Public Debt number is obtained, which converts the instrument into an obligation, the court administrator obtains a C.U.S.I.P. number. This implies only one of two conclusions: (1) that the court administrators are knowingly committing copyright infringement violations as well as creating counterfeit obligations pursuant to 28 U.S.C. § 472 et seq. 473-474; or (2) that the court administrator is a member of the C.U.S.I.P..

Now that the courts have fraudulently converted every court case into a banking financial securities instrument and manipulated the court into the creditor's position and the respondent into the debtor's position, the judges are knowingly and capriciously acting with a vested interest with insider knowledge as well as violating judicial canon. Judges are required to act without bias and to make rulings on the merits of arguments. Instead, they are making financial investments on every case, knowing the exact meaning of every letter and number applied to and now written on the face of the instrument in all cases in the form of a C.U.S.I.P. and issuing judgments based upon futures rather than upon the rule of law, evidence, or oral or written argument.

Additionally, the courts are also committing tax fraud by shifting the debt created by every particular case back onto the individual who is the actual Creditor / Real Party in Interest and, then, fraudulently conveying the case into an investment instrument to be deposited into the Federal Reserve Bank which shifts assets from the credit side of the transaction over to the

Debtor, deceptively laundered as a fraudulent debt into corporate assets, converted again into bonds, stocks, and grants, and given back to the county through the Department of Transportation or through some other discreet agency.

The United States, as defined in 28 U.S.C. § 3002 (15)(a), is bankrupt on the authority of *Perry v. United States*, 294 U.S. 330-381; 97 L. Ed. 9121, and is an obligor / grantor to the Federal Reserve Act of 1913 (38 Stat. 265, Chapter 6). The Federal Reserve Act of 1913, mentioned below, was an act of private law, not Public Law, nor Public Policy, as in reference to a Mr. Lewis whom was injured by a Federal Reserve vehicle and sued the U.S. Government for damages. The court ruled, "...that since the Federal Reserve and its 12 branches are private corporations, the federal government could not be held responsible." *Lewis v. U.S.*, 608 F.2d. 1239 (1982).

Other case law citations:

"Inasmuch as every government is an artificial person, an abstraction, and a creature of the mind only, a government can interface only with other artificial persons. The imaginary, having neither actuality nor substance, is foreclosed from creating and attaining parity with the tangible. The legal manifestation of this is that no government, as well as any law, agency, aspect, court, etc. can concern itself with anything other than corporate, artificial persons and the contracts between them." S.C.R. 1795, *Penhallow v. Doane's Administrators*, 3 U.S. 54; 1 L.Ed. 57; 3 Dall. 54, Supreme Court of the United States (1795).

"All codes [Chapter 83, Part II as alleged], rules, and regulations are for government authorities only, no human / Creators in accordance with God's laws. All codes, rules, and regulations are unconstitutional and lacking due process." *Rodrigues v. Ray Donovan (U.S. Dept. of Labor)*, 769 F.2d 1344, 1348 (1985).

"Any false representation of material facts made with knowledge of its falsity and with intent that it shall be acted upon by another in entering into contract, and which is so acted upon, constitutes fraud and entitles the party deceived to avoid contracts or recover damages." *Barnsdall Refining Corp. v. Birnamwood Oil Co.*, 92 F.2d 817. "The terms 'lawful money' and 'lawful money of the United States' shall be construed to mean gold or silver coin of the United States." 21 U.S.C. § 152, also *Boric v. Trott*, Pa. 5 Phila. 366, 404; *Klauber v. Biggerstaff*, 47 Wis. 551 (1879); *Lawry v. McGhee*, 16 Tenn. 242 (1835). "'Money' does not include treasury notes." *Foquet v. Headley*, 3 Conn. 534, 536. "Federal Reserve Notes are not dollars." U.S. Treasury, General Counsel, Munk. "Both notes and checks are acknowledgments of indebtedness [not credit] and promise of payment." *Hegeman v. Moon*, 131 N.Y. 462, 30 N.E. 487; *Smith v. Treuhart, et al*, 223 N.Y.S. 481.

"As the use of private corporate commercial paper [Federal Reserve Notes], debt currency or securities [checks] is concerned, removes the sovereignty status of the government of 'We the

'People' and reduces it to an entity rather than a government in the area of finance and commerce as a corporation or person... Governments descend to the level of a mere private corporation and take on the characteristics of a mere private citizen. This entity cannot compel performance upon its corporate statutes or rules unless it, like any other corporation or person, is the holder in due course or commercial agreement between it and the one upon whom the payment and performance are made and are willing to produce said documents and place the same evidence before trying to enforce its demands called statutes. For purposes of suit, such corporations and individuals are regarded as entities entirely separate from government." *Clearfield Trust Co. v. United States*, 318 U.S. 363-371.

"When governments enter the world of commerce, they are subject to the same burdens as any private firm or corporation." *U.S. v. Burr*, 309 U.S. 242 See: U.S.C.A. 286e, *Bank of U.S. v. Planters Bank of Georgia*, 6 L.Ed. (9 Wheat) 244; 22 U.S.C.A. 286 et seq., C.R.S. 11-60-103.

"Under a statute defining a negotiable note as a note made by one person whereby he promises to pay money to another person, and providing that the word 'person' should be construed to extend to every corporation capable by law of making contracts, it was held that the word included a state." *State of Indiana v. Woram*, 6 Hill (N.Y.) 33, 38; 40 Am.Dec. 378.

"A state is a person within the meaning of a statute punishing the false making or fraudulent alteration of a public record with the intent that any person may be defrauded." *Martin v. State*, 24 Tex. 61, 68.

"An unconstitutional act is not law; it confers no rights; it imposes no duties; affords no protection; it creates no office; it is in legal contemplation, as inoperative as though it had never been passed." *Norion v. Shelby County*, 118 U.S. 425

"No state legislator or executive or judicial officer can war against the Constitution without violating his undertaking to support it." *Cooper v. Aaron*, 358 U.S. 1, 78 S.Ct. 1401 (1958).

I, JAMEEL SOLOMON, presently of Brooklyn, New York, (the "Grantor") declare and make this revocable living trust (the "Living Trust"). This Living Trust will be known as: **JS REVOCABLE LIVING TRUST**.

### BACKGROUND:

- A. The Grantor presently owns property (the "Property") as described in Schedule A.
- B. The Grantor wishes to ensure that this Property and any income derived from this Property is managed and eventually distributed according to the following terms.

### Trust Purpose

1. This Living Trust is created for the benefit of the Beneficiaries to ensure they are well provided for after the death of the Grantor, however during the lifetime of the Grantor, the interests of the Grantor will be considered primary and superior to the interests of the Beneficiaries. With this purpose, the primary asset management goal for this Living Trust will be the protection of the value of the Property. The secondary asset management goal for this Living Trust is to generate income and growth at a reasonable risk.

### Trustee

- 2. During their lifetime, and unless and until both become incapacitated, the primary trustee (the "Primary Trustee") of this Living Trust shall be, Solomon; Jameel of Brooklyn, New York. If a Primary Trustee dies or becomes incapacitated, the other Primary Trustee will continue as the sole Primary Trustee of this Living Trust.
- 3. In the event that both Primary Trustees are either dead or incapacitated, then Verley, Nicolette Onella (the "Successor Trustee") will serve as the acting Trustee of this Living Trust.

### Beneficiaries

4. Upon the death of the Grantor, the following individual(s) will comprise the beneficiaries (the "Beneficiaries") of this Living Trust: a. the residuary beneficiary, Solomon, Elias Langa, All offspring created through the Body of Solomon; Jameel of Brooklyn, New York; and b. any heir or issue of those beneficiaries that is entitled to a benefit under this Living Trust in the place of any then deceased beneficiary.

### Assign and Convey Property to Living Trust

5. JAMEEL SOLOMON, as Grantor, has or will assign, convey and deliver all of the rights, title and interest in the Property as described in Schedule A of this document as a gift and without consideration, to be held by this Living Trust.

### Amendment During Grantor's Lifetime

- 6. At any time during the lifetime of the Grantor and while the Grantor is not incapacitated, the Grantor may, subject to the other provisions of this section, alter or amend this Living Trust on delivery to the acting Trustee of a written instrument signed by the Grantor. Amendments may include, but are not limited to, the following:
  - a. The Grantor may change the number and identity of the Grantors, the Trustees, the Successor Trustees or the Beneficiaries.
  - b. The Grantor may add or withdraw property from this Living Trust.
- 7. This Living Trust may not be amended after the death of the Grantor.

### Revocation During Grantor's Lifetime

- 8. At any time during the lifetime of the Grantor and while the Grantor is not incapacitated, the Grantor may, subject to the other provisions of this section, revoke this Living Trust in its entirety on delivery to the acting Trustee of a written instrument signed by the Grantor. In the event of such revocation, the remaining Property will revert to the Grantor after all the debts and expenses attributable to the Living Trust have been paid.
- 9. This Living Trust may not be revoked after the death of the Grantor.

### Distributions During the Lifetime of the Grantor

10. During the lifetime of the Grantor and while the Grantor is not incapacitated, the acting Trustee will distribute as much of the income and principal of the Living Trust to the Grantor as the Grantor may request. While the Grantor is incapacitated and no longer able to manage or continue to manage their own affairs, then the acting Trustee may withhold or make payments out of the resources of this Living Trust of any amount that the acting Trustee in their sole judgment deem appropriate for the maintenance, comfort and welfare of the Grantor.

### Distributions Upon Death of the Grantor

- 11. Upon the death of the Grantor, and after resolving all applicable legal debts and obligations of the Grantor, the acting Trustee will expeditiously act to distribute the remaining Property as directed in this section.
- 12. After resolving all applicable legal debts and obligations of the Grantor, the acting Trustee

will distribute the remaining property in this Living Trust in EQUAL shares (individually the "Share" and collectively the "Shares") to the following Beneficiaries:

a. All offspring created through the Body of Solomon: Jameel of Brooklyn, New York;

13. Where a Beneficiary is under the age of 21 years at the time of the Final Distribution, and that Beneficiary is not an Adult Dependent Beneficiary, the acting Trustee will then act as trustee(s) by holding that Share in a separate trust for that Beneficiary under the same terms and conditions as outlined in this Living Trust, and will keep that Share invested, pay the income or capital or as much of either or both as the then acting trustee(s), in their sole discretion, consider advisable for the maintenance, education, advancement or benefit of that Beneficiary until that Beneficiary reaches the age of 21 years whereupon the then acting trustee(s) will pay or transfer the rest and residue of that Share to that Beneficiary.

14. Where a Beneficiary is an Adult Dependent Beneficiary at the time of the Final Distribution, the acting Trustee may, at their sole discretion: a. Continue to act as trustee(s) by holding the Share of any Adult Dependent Beneficiary in a separate trust, subject to the same terms and conditions contained in this Living Trust, and to keep that Share invested, and pay the income or capital or as much of either or both as the then acting trustee(s) consider advisable for the maintenance, education, advancement or benefit of that Adult Dependent Beneficiary; or b. Pay or transfer all capital, assets and property of that Share or the amount remaining of that Share of that Adult Dependent Beneficiary to any parent, custodian or guardian of that Adult Dependent Beneficiary subject to the same terms and conditions contained in this Living Trust and the receipt by that parent, custodian or guardian will discharge all duties and obligations of the acting Trustee.

15. If any of the named Beneficiaries do not survive the Grantor by at least thirty (30) days but do leave an heir or issue who survives the Grantor by at least thirty (30) days, then the Specific Gift or the Share designated for that Beneficiary, of whatever kind and character, and wherever located, will be distributed per stirpes among those surviving heirs or issue. Where those surviving heirs or issue are not of the age of majority, the acting Trustee may pay or transfer all capital, assets and property attributable to those minor heirs or issue of that Beneficiary to any parent, custodian or guardian of those minor heirs or issue, subject to the same terms and conditions contained in this Living Trust, and the receipt by that parent, custodian or guardian will discharge all duties and obligations of the acting Trustee.

16. If any of the residual Beneficiaries do not survive the Grantor by at least thirty (30) days and do not leave an heir or issue who survives the Grantor, then the Share designated for that Beneficiary, will revert to the residue of this Living Trust.

17. If all of the successor Beneficiaries do not survive the Grantor by at least thirty (30) days and do not leave an heir or issue who survives the Grantor by at least thirty (30) days, then all of the remaining property in this Living Trust, of whatever kind and character, and wherever located, will revert to the estate of the Grantor.

18. If any of the real property to be distributed in this Living Trust remains subject to a mortgage at the time of the Final Distribution, then the Beneficiary taking that mortgaged property will take that property subject to that mortgage and the Beneficiary will not be entitled to have the mortgage paid out or resolved from the remaining assets or residue of this Living Trust.

19. If any of the personal property to be distributed in this Living Trust is subject to any encumbrances or liens at the time of the Final Distribution, then the Beneficiary taking that property will take that property subject to those encumbrances or liens and the Beneficiary will not be entitled to have any encumbrance or lien paid out or resolved from the remaining assets or residue of this Living Trust.

A Trustee will only be responsible for his or her own acts and no Trustee will be liable for any act or actions occurring in the periods before or after the tenure of that Trustee. Any outstanding liabilities of a dead, resigning or removed Trustee are not discharged or affected by the Trustee's death, resignation or removal.

#### **Trustee Death or Resignation**

**Instructions for Borrower**

Certain lenders who acquire an interest in property that was security for a loan or who have reason to know that such property has been abandoned must provide you with this statement. You may have reportable income or loss because of such acquisition or abandonment. Gain or loss from an acquisition is generally measured by the difference between your adjusted basis in the property and the amount of your debt canceled in exchange for the property or, if greater, the sale proceeds. If you abandoned the property, you may have income from the discharge of indebtedness in the amount of the unpaid balance of your canceled debt. The tax consequences of abandoning property depend on whether or not you were personally liable for the debt. Losses on acquisitions or abandonments of property held for personal use are not deductible. See Pub. 4681 for information about your tax consequences. Property means any real property (such as a personal residence), any intangible property, and tangible personal property that is held for investment or used in a trade or business.

If you borrowed money on this property with someone else, each of you should receive this statement.

**Borrower's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

**Account number.** May show an account or other unique number the lender assigned to distinguish your account.

**Box 1.** For a lender's acquisition of property that was security for a loan, the date shown is generally the earlier of the date title was transferred to the lender

or the date possession and the burdens and benefits of ownership were transferred to the lender. This may be the date of a foreclosure or execution sale or the date your right of redemption or objection expired. For an abandonment, the date shown is the date on which the lender first knew or had reason to know that the property was abandoned or the date of a foreclosure, execution, or similar sale.

**Box 2.** Shows the debt (principal only) owed to the lender on the loan when the interest in the property was acquired by the lender or on the date the lender first knew or had reason to know that the property was abandoned. Box 3. Reserved for future use.

**Box 3.** Reserved for future use.

**Box 4.** Shows the fair market value of the property. If the amount in box 4 is less than the amount in box 2, and your debt is canceled, you may have cancellation of debt income. If the property was your main home, see Pub. 523 to figure any taxable gain or ordinary income.

**Box 5.** Shows whether you were personally liable for repayment of the debt when the debt was created or, if modified, when it was last modified.

**Box 6.** Shows the description of the property acquired by the lender or abandoned by you. If "CCC" is shown, the form indicates the amount of any Commodity Credit Corporation loan outstanding when you forfeited your commodity.

Form 1099-B

www.tax1099.com - IRS Approved e File Provider

www.irs.gov/Form1099B

**Instructions for Recipient**

Brokers and barter exchanges must report proceeds from (and in some cases, basis for) transactions to you and the IRS on Form 1099-B. Reporting is also required when your broker knows or has reason to know that a corporation in which you own stock has had a reportable change in control or capital structure. You may be required to recognize gain from the receipt of cash, stock, or other property that was exchanged for the corporation's stock. If your broker reported this type of transaction to you, the corporation is identified in box 1a.

**Recipient's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (SSN, ITIN, ATIN, or EIN). However, the issuer has reported your complete TIN to the IRS.

**Account number.** May show an account or other unique number the payer has assigned to distinguish your account.

**CUSIP number.** Shows the CUSIP (Committee on Uniform Security Identification Procedures) number or other applicable identifying number.

**FATCA filing requirement.** If the FATCA filing requirement box is checked, the payer is reporting on this Form 1099 to satisfy its account reporting requirement under chapter 4 of the Internal Revenue Code. You may also have a filing requirement. See the Instructions for Form 8938.

**Applicable checkbox on Form 8949.** Indicates where to report this transaction on Form 8949 and Schedule D (Form 1040), and which checkbox is applicable. See the instructions for your Schedule D (Form 1040) and/or Form 8949.

**Box 1a.** Shows a brief description of the item or service for which amounts are being reported. For regulated futures contracts and forward contracts, "RFC" or other appropriate description may be shown. For Section 1256 option contracts, "Section 1256 option" or other appropriate description may be shown. For a corporation that had a reportable change in control or capital structure, this box may show the class of stock as C (common), P (preferred), or O (other).

**Box 1b.** This box may be blank if box 5 is checked or if the securities sold were acquired on a variety of dates. For short sales, the date shown is the date you acquired the security delivered to close the short sale.

**Box 1c.** Shows the trade date of the sale or exchange. For short sales, the date shown is the date the security was delivered to close the short sale. For aggregate reporting in boxes 8 through 11, no entry will be present.

**Box 1d.** Shows the cash proceeds, reduced by any commissions or transfer taxes related to the sale, for transactions involving stocks, debt, commodities, forward contracts, non-Section 1256 option contracts, or securities futures contracts. May show the proceeds from the disposition of your interest(s) in a widely held fixed investment trust. May also show the aggregate amount of cash and the fair market value of any stock or other property received in a reportable change in control or capital structure arising from the corporate transfer of property to a foreign corporation. Losses on forward contracts or non-Section 1256 option contracts are shown in parentheses. This box does not include proceeds from regulated futures contracts or Section 1256 option contracts. Report this amount on Form 8949 or on Schedule D (Form 1040) (whichever is applicable) as explained in the Instructions for Schedule D (Form 1040).

**Box 1e.** Shows the cost or other basis of securities sold. If the securities were acquired through the exercise of a noncompensatory option granted or acquired on or after January 1, 2014, the basis has been adjusted to reflect your option premium. If the securities were acquired through the exercise of a noncompensatory option granted or acquired before January 1, 2014, your broker is permitted, but not required, to adjust the basis to reflect your option premium. If the securities were acquired through the exercise of a compensatory option, the basis has not been adjusted to include any amount related to the option that was reported to you on a Form W-2. If box 5 is checked, box 1e may be blank. See the Instructions for Form 8949, the Instructions for Schedule D (Form 1040), or Pub. 550 for details.

Form 1099-INT

www.tax1099.com -IRS Approved e File Provider

www.irs.gov/Form1099INT

**Instructions for Recipient**

The information provided may be different for covered and noncovered securities. For a description of covered securities, see the Instructions for Form 8949. For a taxable covered security acquired at a premium, unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize the premium under section 171, or for a tax-exempt covered security acquired at a premium, your payer must generally report either (1) a net amount of interest that reflects the offset of the amount of interest paid to you by the amount of premium amortization allocable to the payment(s), or (2) a gross amount for both the interest paid to you and the premium amortization allocable to the payment(s). If you did notify your payer that you did not want to amortize the premium on a taxable covered security, then your payer will only report the gross amount of interest paid to you. For a noncovered security acquired at a premium, your payer is only required to report the gross amount of interest paid to you.

**Recipient's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS. **FATCA filing requirement.** If the FATCA filing requirement box is checked, the payer is reporting on this Form 1099 to satisfy its chapter 4 account reporting requirement. You may also have a filing requirement. See the Instructions for Form 8938.

**Account number.** May show an account or other unique number the payer assigned to distinguish your account.

**Box 1.** Shows taxable interest paid to you during the calendar year by the payer. This does not include interest shown in box 3. May also show the total amount of the credits from clean renewable energy bonds, new clean renewable energy bonds, qualified energy conservation bonds, qualified zone academy bonds, qualified school construction bonds, and build America bonds that must be included in your interest income. These amounts were treated as paid to you during the calendar year on the credit allowance dates (March 15, June 15, September 15, and December 15). For more information, see Form 8912. See the instructions above for a taxable covered security acquired at a premium.

**Box 2.** Shows interest or principal forfeited because of early withdrawal of time savings. You may deduct this amount to figure your adjusted gross income on your income tax return. See the Instructions for Forms 1040 and 1040-SR to see where to take the deduction.

**Box 3.** Shows interest on U.S. Savings Bonds, Treasury bills, Treasury bonds, and Treasury notes. This may or may not all be taxable. See Pub. 550. This interest is exempt from state and local income taxes. This interest is not included in box 1. See the instructions above for a taxable covered security acquired at a premium.

**Box 4.** Shows backup withholding. Generally, a payer must backup withhold if you did not furnish your TIN or you did not furnish the correct TIN to the payer. See Form W-9. Include this amount on your income tax return as tax withheld.

**Boxes 5.** Any amount shown is your share of investment expenses of a single-class REMIC. This amount is included in box 1. Note: This amount is not deductible.

**Boxes 6** Shows foreign tax paid. You may be able to claim this tax as a deduction or a credit on your Form 1040 or 1040-SR. See your tax return instructions.

**Box 7.** Shows the country or U.S. possession to which the foreign tax was paid.

**Box 8.** Shows tax-exempt interest paid to you during the calendar year by the payer. See how to report this amount in the Instructions for Form 1040. This amount may be subject to backup withholding. See Box 4 above. See the instructions above for a tax-exempt covered security acquired at a premium.

**Boxes 9.** Shows tax-exempt interest subject to the alternative minimum tax. This amount is included in box 8. See the Instructions for Form 6251. See the instructions above for a tax-exempt covered security acquired at a premium.

**Box 10.** For a taxable or tax-exempt covered security, if you made an election under section 1278(b) to include market discount in income as it accrues and you notified your payer of the election in writing in accordance with Regulations section 1.6045-1(n)(5), shows the market discount that accrued on the debt instrument during the year while held by you, unless it was reported on Form 1099-OID. For a taxable or tax-exempt covered security acquired on or after January 1, 2015, accrued market discount will be calculated on a constant yield basis unless you notified your payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to make a constant yield election for market discount under section 1278(b). Report the accrued market discount on your income tax return as directed in the Instructions for Form 1040. Market discount on a tax-exempt security is includible in taxable income as interest income.

**Box 11.** For a taxable covered security (other than a U.S. Treasury obligation), shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the Instructions for Schedule B (Form 1040) to determine the net amount of interest includible in income on Form 1040 or 1040-SR with respect to the security. If an amount is not reported in this box for a taxable covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in box 1. If the amount in box 11 is greater than the amount of interest paid on the covered security, see Regulations section 1.171-2(a)(4).

**Box 12.** For a U.S. Treasury obligation that is a covered security, shows the amount of premium amortization allocable to the interest payment(s), unless you notified the payer in writing in accordance with Regulations section 1.6045-1(n)(5) that you did not want to amortize bond premium under section 171. If an amount is reported in this box, see the Instructions for Schedule B (Form 1040) to determine the net amount of interest includible in income on Form 1040 or 1040-SR with respect to the U.S. Treasury obligation. If an amount is not reported in this box for a U.S. Treasury obligation that is a covered security acquired at a premium and the payer is reporting premium amortization, the payer has reported a net amount of interest in box 3. If the amount in box 12 is greater than the amount of interest paid on the U.S. Treasury obligation, see Regulations section 1.171-2(a)(4).

**Box 13.** For a tax-exempt covered security, shows the amount of premium amortization allocable to the interest payment(s). If an amount is reported in this box, see Pub. 550 to determine the net amount of tax-exempt interest reportable on Form 1040 or 1040-SR. If an amount is not reported in this box for a tax-exempt covered security acquired at a premium, the payer has reported a net amount of interest in box 8 or 9, whichever is applicable. If the amount in box 13 is greater than the amount of interest paid on the tax-exempt covered security, the excess is a nondeductible loss. See Regulations section 1.171-2(a)(4)(ii).

**Box 14.** Shows CUSIP number(s) for tax-exempt bond(s) on which tax-exempt interest was paid, or tax credit bond(s) on which taxable interest was paid or tax credit was allowed, to you during the calendar year. If blank, no CUSIP number was issued for the bond(s).

**Boxes 15-17.** State tax withheld reporting boxes.

**Nominees.** If this form includes amounts belonging to another person(s), you are considered a nominee recipient. Complete a Form 1099-INT for each of the other owners showing the income allocable to each. File Copy A of the form with the IRS. Furnish Copy B to each owner. List yourself as the "payer" and the other owner(s) as the "recipient." File Form(s) 1099-INT with Form 1096 with the Internal Revenue Service Center for your area. On Form 1096, list yourself as the "filer." A spouse is not required to file a nominee return to show amounts owned by the other spouse.
